Explanation of Information

Louisiana Family Forum believes elected officials should support policies and programs that protect and promote families and traditional family values in Louisiana.

To accomplish this goal, Louisiana Family Forum Action, the advocacy arm of Louisiana Family Forum, educates the public about legislation and voting records. Legislators scoring 100% are recognized as Outstanding Family Advocates.

Note: LFF Action utilizes the official voting records of the Louisiana Legislature.

In the House, members are allowed to change their votes in the Official Record.

In the Senate, members are not allowed to change their votes. However, "on a debatable question each member shall be allowed to explain his vote in writing only, and the explanation shall be incorporated in the Journal, if requested."

(Senate Rule 12.1 B) Journal notations are described above.
